Teacher's Code of Conduct

Teacher has an important place in the society. It is the duty of the teacher to maintain his conduct in accordance with the ideals. A teacher is constantly under the scrutiny of his students and society. Therefore, every teacher should take care that there is no difference between his words and actions. The national ideals of education already determined and spreading them among the students should be a teacher's own ideal. In this profession, it is also necessary that the teacher should be calm, patient, sociable and friendly in nature.

1. A teacher should follow such responsible conduct and behavior as the community expects from him.
2. He should manage his personal affairs in such a way that it is in accordance with the reputation earned by money.
3. He should continue professional development through study and research.
4. In the field of knowledge should express his views freely and friendly by participating in professional meetings, seminars, conferences etc. to contribute.
5. Maintain active membership in professional organizations and strive to improve the teaching profession through them.
6. Perform his/her duties as a teacher, researcher, teaching, practice, knowledge seminars and research work with discretion and dedication.
7. Not engage in and discourage plagiarism and other unethical practices in teaching and research
8. Abide by the Acts and Ordinances of the University and respect the ideals, vision, mission, Sanskrit practices and traditions of the University
9. Co-operate and assist in carrying out functions relating to the academic obligations of the college and the University such as assisting in evaluating applications for admission, counseling and guiding and monitoring students, assisting in conducting examinations in the University and the College including conducting tests and evaluations
10. Participate in the expansion of the curriculum and activities including community service
11. Maintain good behavior with students, staff and parents.
12. Contribute to the fullest extent possible in the development of the college.
