NAAC

VISION

To make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives.

MISSION

- To arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects;
- *< To stimulate the academic environment for promotion of quality of teaching-learning and research in higher education institutions;*
- *⇐ To encourage self-evaluation, accountability, autonomy and innovations in higher education;*
- ← To undertake quality-related research studies, consultancy and training programmes, and
- *<* To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.

Value Framework

To promote the following core values among the HEIs of the country:

- Contributing to National Development
- ➢ Fostering Global Competencies among Students
- Inculcating a Value Sysstem among Students
- Promoting the Use of Technology
- ➢ Quest for Excellence

Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions

Introduction

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, institutions need to channelize its efforts and measures towards promoting the holistic academic excellence including the peer committee recommendations.

The guidelines provided in the following pages will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives.

Its success depends upon the sense of belongingness and participation in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

IQAC – Vision

To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

Objective

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies

IQAC shall evolve mechanisms and procedures for

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- b) Relevant and quality academic/ research programmes;
- c) Equitable access to and affordability of academic programmes for various sections of society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of assessment and evaluation process;
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks
- b) Parameters for various academic and administrative activities of the institution;
- c) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- d) Collection and analysis of feedback from all stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters to all stakeholders;
- e) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- f) Documentation of the various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- i) Periodical conduct of Academic and Administrative Audit and its follow-up
- j) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

Benefits

IQAC will facilitate / contribute to

- a) Ensure clarity and focus in institutional functioning towards quality enhancement;
- b) Ensure internalization of the quality culture;
- b) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- c) Provide a sound basis for decision-making to improve institutional functioning;
- d) Act as a dynamic system for quality changes in HEIs;
- e) Build an organised methodology of documentation and internal communication.

Composition of the IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

- 1. Chairperson: Head of the Institution
- 2. Teachers to represent all level (Three to eight)
- 3. One member from the Management
- 4. Few Senior administrative officers
- 5. One nominee each from local society, Students and Alumni
- 6. One nominee each from Employers /Industrialists/Stakeholders
- 7. One of the senior teachers as the coordinator/Director of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution, accordingly the representation of teachers may vary. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- It is advisable to change the co-ordinator after two to three years to bring new thoughts and activities in the institution.
- It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.
- The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives

should be of high social standing and should have made significant contributions to society and in particular to education.

The role of the Coordinator

The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The coordinator of the IQAC may be a senior/competent person with experience and exposure in quality aspects. She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility. Secretarial assistance may be facilitated by the administration. It is essential that the coordinator may have sound knowledge about the computer, data management and its various functions such as usage for effective communication.

Operational Features of the IQAC

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution, to have a work plan to achieve them and to specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The right balance between the health and growth of an institution needs to be struck. The IQAC has to ensure that whatever is done in the institution for "education" is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC will have a major role in implementing these functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and institutions may adapt them to their specific needs.

The institutions need to submit yearly the Annual Quality Assurance Report (AQAR) to NAAC by end of September every year positively. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle's accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well as quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Report (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Governing Council/ Executive Council/Board of Management) for the follow up action for necessary quality enhancement measures.

The IQACs may create its exclusive window tab on its institutional website for keeping the records/files of NAAC, Peer Team Reports, AQAR, and Certificate of Accreditation Outcomes and regularly upload/ report on its activities, as well as for hosting the AQAR.

Revised Accreditation Framework

NAAC has launched Revised Accreditation Framework since July, 2017 and hence AQAR format also modified, in cognizance with the new methodology. The tools and parameters are designed in the new AQAR format are in such a way that the preparation of AQAR would facilitate the HEI's for upcoming

cycles of Accreditation. Data collected/prepared infuses quality enhancement measures undertaken during the years. Further, it also adds quality enhancement and quality sustenance measures undertaken in teaching, learning, research, extension and support activities of the Institution. It is hoped that new AQAR would facilitate Educational Institutions for creating a good database at Institutional level for enhancing the quality culture.

As per the Revised Accreditation Framework (RAF), the NAAC Accredited institutions need to submit the AQAR online. NAAC is in the process of ICT integration in Assessment and Accreditation. The login id for the online submission for AQAR submission will be the e-mail id used for the IIQA. The AQAR submission is part of the post accreditation module, in due course of time. NAAC portal will have the facility to submit the AQAR online and Institutions will receive automated response. AQAR of the preceding year be submitted to the NAAC within six months i.e. the institutions should submit the AQAR before 31st December of every year.

The Higher Education Institutions need not submit the printed/hard copy of AQAR to NAAC. Mandatory Submission of AQAR by IQAC

The Executive Committee of NAAC has decided that regular submission of AQARs is mandatory for 2nd and subsequent cycles of accreditation with effect from 16th September 2016:

The following are the pre-requisites for submission of IIQA for all Higher Education Institutions (HEIs) opting for 2^{nd} and subsequent cycles of A& A:

- Having a functional IQAC.
- The minutes of IQAC meeting and compliance to the decisions should be uploaded on the institutional website.
- Mandatory submission of AQARs on a regular basis for institutions undergoing the second and subsequent cycles of Assessment and Accreditation by NAAC.
- Upload the AQAR's on institutional website for access to all stakeholders.

Note: The terms and abbreviation used in AQAR are in accordance with respective manuals for assessment of NAAC. Please refer institutional manual for glossary and abbreviations terms used in AQAR.

The Annual Quality Assurance Report (AQAR) of the IQAC

(For Affiliated/Constituent Colleges)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. The AQAR period would be the Academic Year. (For example, July 1, 2017 to June 30, 2018)

Part – A

Data of the Institution

(data may be captured from IIQA) **1.** Name of the Institution Arya Mahila Shikshak Prashikshan Mahavidyalaya

- Name of the Head of the institution : Dr. C.P. Paliwal •
- Designation: Principal
- Does the institution function from own campus: Yes
- Phone no./Alternate phone no.: 0144-2332235
- Mobile no.: 9414789205
- Registered e-mail: principalamttc@gmail.com
- Alternate e-mail : cppaliwal2012@gmail.com
- Address :Malviya Nagar
- City/Town : Alwar
- State/UT : Rajasthan
- Pin Code : 301001

2. Institutional status:

- Affiliated / Constituent: Affiliated •
- Type of Institution: Co-education/Men/Women
- Location : Rural/Semi-urban/Urban:

Women Urban

- Financial Status: Grants-in aid/ UGC 2f and 12 (B)/ Self financing (please specify) Self Financing

- Name of the Affiliating University: Raj Rishi Bhartrihari Matsya University, Alwar
- Name of the IQAC Co-ordinator : Dr. Anuradha Paliwal
- Phone no. : 0144-2332235

Alternate phone no.

- Mobile: 9413455461

14. Whether the AQAR was placed before statutory body?
 Yes /No: No

 Name of the Statutory body:
 Date of meeting(s):

15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning?
Yes/No: Yes Date: 25-26 Sept 2017

16. Whether institutional data submitted to AISHE: Yes/No: **Yes**

Year: 2018 Date of Submission: 24-02-2018

17. Does the Institution have Management Information System?Yes ✓ No

If yes, give a brief description and a list of modules currently operational. (Maximum 500 words)

The Institution selects, collects and analyses the data and information on academic and administrative aspects of decentralisation of the power and work. The Institution monitors the performance of the teaching and non-teaching staff members by self appraisal, students feedback on the faculty performance and assessment of the faculty members by the Principal.

CRITERION I – CURRICULAR ASPECTS

1.1 Curriculum Planning and Implementation

1.1.1 Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Institution has the mechanism system to deliver and documentation for curriculum to the trainees. Teacher educators demonstrate and justify the judicious use of appropriate methodology in handling and mastery learning by ICT. The faculty members are the modal user of ICT. They make good use of power point presentation and project based instructional different curricular and co-curricular activities. We initiate the session with Hawan. Morning assembly is organised by student teachers of respective "Sadans" on every days. The Institution organises orientation programme, related micro teaching, lesson planning, tutorial classes, demo lessons, internal assessment, open-air session for well planned delivery and documentation.

1.4.2 How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback on the curriculum is sought through Alumni meetings, Interaction between teachers and students, Faculty meetings on regular intervals exclusively for this purpose, meetings with experts and educationists at formal and informal level. Parent Teachers meetings are also organize to obtain feedback. The institution has adopted well oriented mechanism of getting feedback and exchange of information with regards to the curricular and co-curricular aspects of the B.Ed. course being run in the institution. After getting feedback from different domains, we analyse it and find conclusions and findings. Then Institution utilized them for overall development of the institution and pupil teachers.

round development of students with the help of ICT. College also has a method of evaluation of teacher

on the basis of teacher's self appraisal report, which is submitted at the end of every academic year.

2.5.3 Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Institution prepared academic calendar and there is provision for conduct the internal examination. The annual examination schedule is prepared by affiliated university. All the rules and regulations are

followed by the Institution to conduct the examination according to syllabus and curriculum.

2.6 Student Performance and Learning Outcomes

2.6.1 Program outcomes, program specific outcomes and course outcomes

for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

http://aryakanya.com/uploads/-1-Program%20outcomes.pdf

2.6.2 Pass	s percentage (of students

5.3.1 Whether the institution has registered Alumni Association? Yes/No, if yes give details (maximum 500 words):

NO

5.3.2 No. of registered enrolled Alumni:

5.3.3 Alumni contribution during the year (in Rupees) :

5.3.4 Meetings/activities organized by Alumni Association :

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institution conducts many practices for decentralization and participative management during the last year but here only two practices are mentioned – Curricular Activities-

Orientation is given about use of teaching aids, methods and techniques of teaching, classroom problems, traits of a good teacher, preparation of micro and macro lesson plans, etc. by the teaching subject teachers in their respective classes. The subject teachers give demonstration lessons on use of various skills and methods. Micro-teaching sessions are conducted. Preparatory files are prepared by the students for each of the two teaching subjects, which include 5 micro lesson plans. 5 macro lesson plans and observation of two demonstration lessons by the teacher. During the teaching practice in the schools, continuous monitoring is done and feedback is provided by peers, Teacher Educators, School teachers and peers for improvement.

Co-curricular-

• Assembly Programs- The Institution organized many programmes during morning assembly according to classified Houses in the supervision of House In charge and those activities help the students for participate and decentralizing management system. Some important activities organize in daily routine such as- Special Day Celebration, Inspired Quotes, News, Yoga Practice etc.

6.1.2 Does the institution have a Management Information System (MIS)? Yes/No/Partial:

Yes

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

- Curriculum Development- Feedback is gathered through various sources such as Alumni Association Meetings, Interactions with experts & educationists, Parent- Teachers Meetings and meetings with prospective employers like Principals of schools during Teaching Practice schedules and forwarded to Curriculum Development Committee as suggestions.
- ✤ Teaching and Learning- Changes have been made in TLP (Teaching Learning Process) and additions have been made in Models of Teaching and micro skills by the University, according to the emerging needs and trends of Teaching Learning Process for quality improvement. Such changes in

the syllabus make the students aware of recent advancements in Educational Technology and thus result in student satisfaction. The institution engages students in active learning by providing them various resources of learning like library, internet, giving individual projects simulation, peer teaching, role playing, practice teaching, group discussion etc.

- Examination and Evaluation- The students are assessed/evaluated through various ways like class test, House tests, external University Exam, Assignment based lessons, seminars etc. In nutshell we follow continuous comprehensive internal evaluation system along the lines of affiliating University.
- Research and Development- The institution tries its best to motivate the teachers to take up research in education to keep abreast of the current knowledge and development in the field of Teacher Education. The library is equipped with vast variety of books and surveys. Various National and International Journals are also subscribed for the library. Broadband internet assessment is available to the Teacher Educators. The main area of research prioritized by the institution-
 - * Action Research
 - * Case Study
- Library, ICT and Physical Infrastructure / Instrumentation- Different kinds of the dictionaries, encyclopedias, journals/periodicals, and atlas are also available in the library. A variety of news papers of both in Hindi and English are regularly noticed in the library including employment newspapers. Major research surveys on education are also available to use for the staff and students for maintaining the quality education. The institution tries to utilize its infrastructure and Learning resources in the best possible way. The institution also provides the best of infrastructure and learning resources to its faculty and students to keep pace with the recent developmental trends in education and technology. The institution has a well equipped computer lab with facilities like internet connectivity and printer which is available to all students and staff. A separate provision has been made in the time table for students to access the computer lab.
 - ✤ Human Resource Management- The faculty development needs are identified by the Principal of the institution by evaluating self appraisal reports of the needs of the changing scenario. Self appraisal is done by the faculty at the end of every academic session. Apart from this, evaluation is done by students through feedback mechanism and staff members help each other to identify and solve problem if any.
- Industry Interaction / Collaboration- NA

Admission of Students - As per the policy of the State Government, the College admits students through a Common Entrance Test (PTET) conducted by MDSU, AJMER. The students have a choice to opt for any B. Ed college, depending upon their merit score. Pre-Teacher Education Test consists of four sections, namely, Mental ability, Teaching attitude and Aptitude test, General Awareness, and Language Proficiency.

6.2.2 : Implementation of e-governance in areas of operations:
